Frequently Asked Questions

What are AI Voice Minutes? AI Voice Minutes represent the duration of calls handled by AI agents. Both inbound and outbound AI calls consume minutes. Human agent calls do not count against your quota.

Which Indian languages are supported? Growth plans and above include: Hindi, Telugu, Tamil, Kannada, Malayalam, Bengali, Marathi, Gujarati, Punjabi, Odia, Assamese, and Urdu.

Can I change plans? Yes. Upgrades are effective immediately with prorated billing. Downgrades take effect at the next billing cycle.

What happens if I exceed my limits? You'll receive notifications at 80% and 100% usage. You can purchase add-on packs or upgrade your plan. Services continue uninterrupted.

Is there a free trial? Yes. All plans include a 14-day free trial with full features. No credit card required to start.
